From the website:

Tucked away in the quaint, scenic village of Dardenne Prairie, in O'Fallon, Missouri, is our lovely 18-hole, championship golf course, The Links at Dardenne. In true links fashion, the course was designed with the flavor of the courses of yesteryear with all the modern conveniences of today's game. In an area rich with Missouri heritage, the Links offers players expansive Zoysiagrass fairways and tees, along with beautifully manicured bentgrass greens. Playing a 'player friendly' 6568 yards from the back tees, and offering three additional sets of tees at 6144, 5746, and 4875 yards, our course is truly one that can be enjoyed by golfers of all abilities.
