The Lakemont golf course was built in two phases beginning in 1988. John LaFoy designed the layout with the front 9 holes played around Stone Mountain Lake. Incredible views of the World's largest Exposed Granite mountain along with the famous Confederate Memorial carving featuring Robert E. Lee, Jefferson Davis and Stonewall Jackson on horseback makes the front nine a memorable experience. Six holes have water in play making it not only spectacular, but a strong test of accuracy.
